CASSIDY BANKS

Porn Star of the Month

Photography courtesy of Freeones.com

Here are the stats...

Name: Cassidy Bank
Date of Birth: August 17, 1993
 (22 years old)
Place of Birth: Denver
Country of Origin: United States
Career Status: Active
Eye Color: Green
Hair Color: Brown
Measurements: 38DD-24-35
Fake Boobs: No

When I first laid eyes on Cassidy, I thought - Wow this chick is really fucking gorgeous!

The first scene I watch was a little vanilla, so I took a closer look at her body of work. What I saw was a gorgeous girl up against weak opposition. Right now she's like a dominate prize fighter that has to "fuck" a few bums (most of her clips are ranked below 80) as she makes her way to better opponents and eventually the title. Her co-stars have been short in length and seemingly uninterested.

If she ever has the good fortune of better, more lengthy co-stars, who aren't afraid to really slap her on the ass, the Cassidy Banks will go far in the business.

Check her out at [Cassidy Banks](http://CassidyBanks.com)

Here's Cassidy Bank's NGM scorecard

FACE:	A+
SKIN:	A
ASS:	A
LEGS:	A
BREAST:	A+
ORAL SKILLS:	B-
MISSIONARY:	A
FROM THE BACK:	A
FACIALS:	A
RIDING:	B+
TIT FUCKING:	A+

I certainly see Cassidy as an up and coming starlet in the business. When she learns to swallow the cock beyond the tip and work those hips a little more, with the right co-stars and directors - she will be a star.

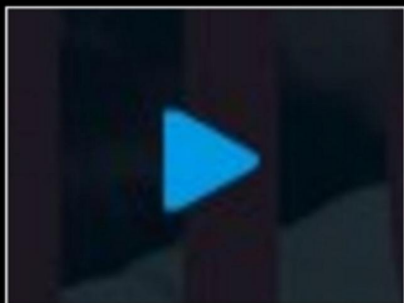

Amateur

Camera Straight Above

There was so many amateur clips that could have made it bit there was something special about the camera above the bed by amateurs that I liked. That and the nice tits and pretty face made this clip amateur of the year.

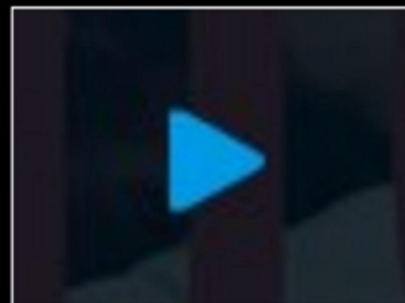

Squirter

Super Soaker

You don't get a chance to see what she looks like but after soaking the camera what does it matter?

NGM'S Publisher's 1st Annual Top Clips of 2015

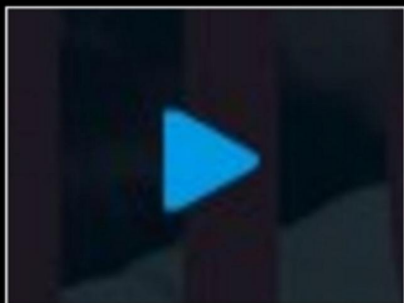

These are the videos that I watched in 2015 that caused me to stand at full attention and salute the folks involved.

Pussy Punishment

Maserati - Jacuzzi

Massive MAMd Maserati straps one on for a little girl on girl action. Yes, don't let the crew cut fool you...that is a gal!

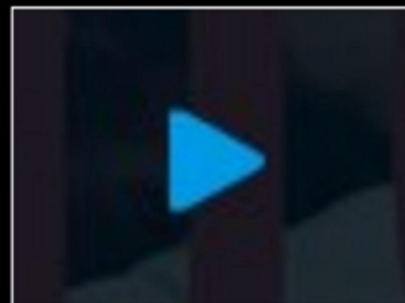

Big Naturals

Kianna Dior

Kianna Dior wraps her huge hooters around a cock until it squirts!

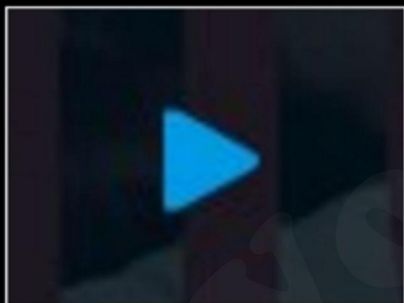

Girl/Girl

Angie & Aeryn

They might not be the hottest ladies that I watched but their intensity goes a long way. It also doesn't hurt that they are both **boobylicious**.

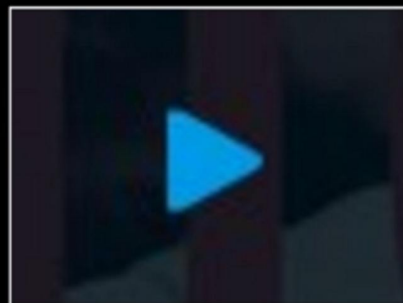

Boy/Girl

Bruce Venture & Holly Michaels

You would have a hard time trying to convince me that these two aren't dating. There is a realism to this scene that seems to capture a couple in love.

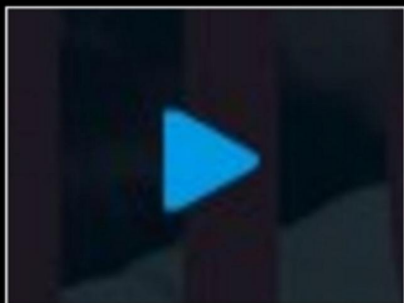

Blacked

Skylar Green

Though she didn't seem to have a hole where this bbc seemed to fit comfortably in, Skylar takes every inch she could handle like a champ.

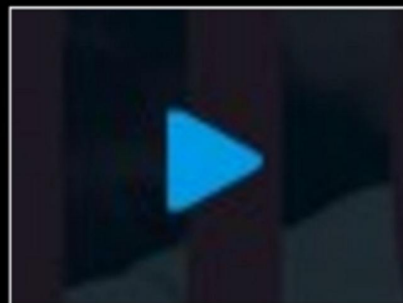

Big 'ol Onion Booty

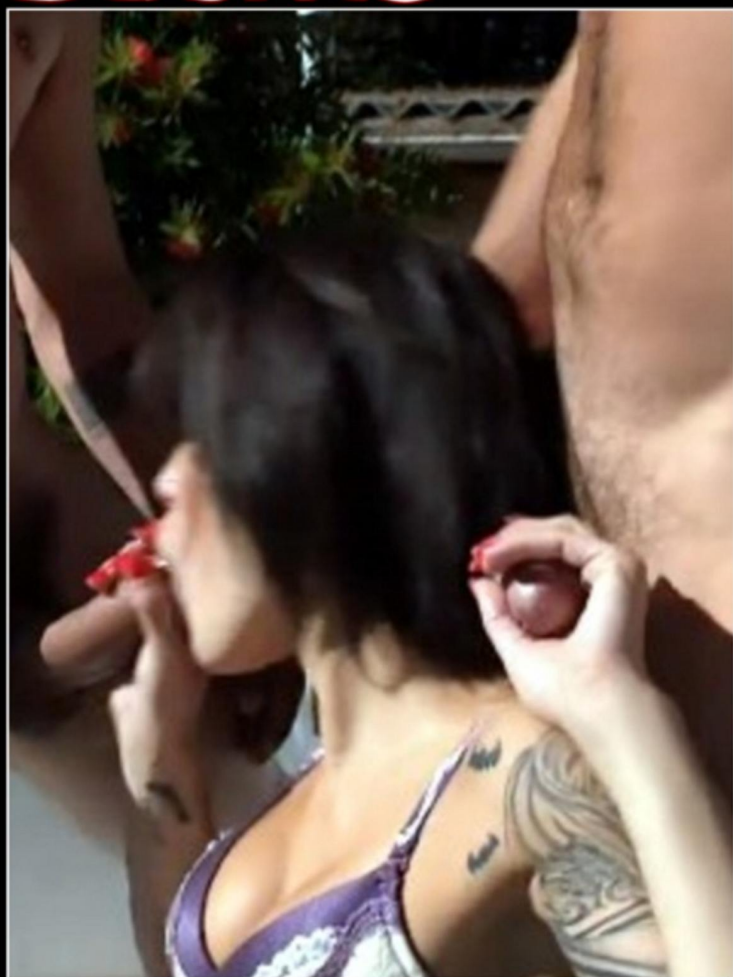

Tia Sweets

She might not have the largest booty in the big butt wars but the way that she pounds that ass definitely puts her at the front of the pack.

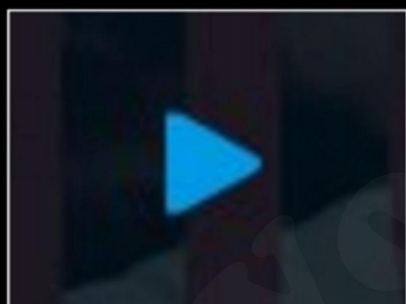

3some

Nikita Bellucci

Very tastefully shot. There are so many clips out there that are all about shock and awe - which we also enjoy - it's nice to see some directors take a more artistic approach to hardcore sex.

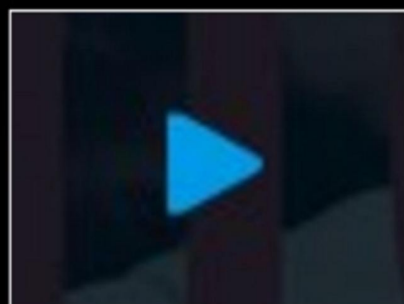

4some

3 Hot Horny MILFs

It's hot action with three gorgeous women and there's a cum shot...it's just that simple!

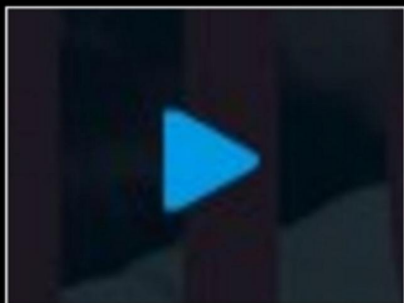

Group

Birthday party

What I love about this clip is there is a White blonde with big tits, a Black woman, an Asian and a Latina (though she is not pictured here) and they all mix it up. Great casting!

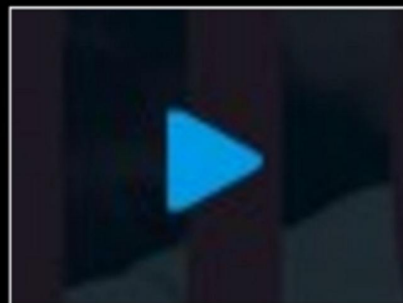

Gonzo

Live Gonzo Sophie Dee

In case you don't know what Gonzo porn is (I had to look it up myself) it a porn scene that skips all the usually poorly acted dialogue and goes straight to the sex. I'm a HUGE Sophie Dee fan - watch out wife! I just think she is stunning and super deliciously thick.

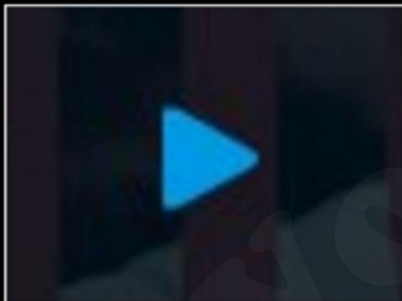

Best New Booty

Zoe Wood

Seattle native Zoë Wood has been working in the adult industry since right after the 2015 AVN Adult Entertainment Expo: "I started in January. I already knew I wanted to join the industry, but I was lucky to walk the red carpet [at the AVN Awards Show] and get the full experience. I was like, 'Yes. This is where I belong.' It was really fun." - [Check out her casting couch video!](#)

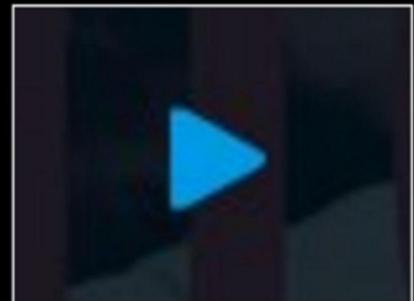

Porn Star of the Year

Anikka Albrite

I'm almost certain she will be AVN's pick for female performer of the year. She is just a wild child with a squirting, camera cleaning, super soaker pussy. She is one of the hottest chicks out there right now.

we finally decided to try a few strip clubs in the area in what was an almost desperate attempt to fuck a Brazilian beauty before made our return stateside.

While we were sitting taking in the sights, I noticed that there was a guy talking to a very sexy young woman that was seated near us. She kept looking my way and our eyes kept making contact despite the fact that he was talking to her.

I thought I would just wait my turn. If he strikes out with her, I'll go over and offer to buy her a drink.

I guess her caught on because after about ten minutes he stumbled over to us, put his hand on my shoulder and said "It looks like you might have a shot buddy."

I took another sip of my drink and let the situation marinate for a while before getting up the courage to go over to her. I was a little reluctant because of how modestly she was dressed. I didn't want to get mixed up with a prostitute who was just hanging around in the strip club looking for some American money to spend.

When I finally got up the nerve, she got up at almost the same time I did. I caught up with her as she headed toward the back of the club and used my most charming lines. It turned out that she worked at the club, in the kitchen and was about to return from her last break. Her name was Tatiana and she worked in the kitchen, washing dishes and cleaning up. That explained the way she was dressed. She told me that she was off in an hour and half, if I was still around we could talk then.

She was about six or maybe seven inches shorter than me with beautiful mid length black and perfectly tanned skin. Her smile was amazing and she spoke perfect English with an slight accent that made her even sexier.

I waited around until she got off, my friend was preoccupied with one of the dancers, and she came

over to where I was sitting with a couple of rum and cokes. We sat and talked for what seemed only a few minutes but was actually more than an hour before she said she had to get home.

I walked her to her car and asked if there was a way for me to contact her before I left. She asked what hotel I was staying at, which just happened to be close to the club.

She said there was a couple of things that she needed to take care of and that she would meet me in the lobby of the hotel in about an hour.

I watched her drive away and went back into the club hoping Derek had closed the deal on his hook up. I found him chatting it up with another one of the clubs dancers. They appeared to be having a good time but I still gave him the countdown signal, so he would know that he had to close soon so I could meet Tatiana back at the hotel in an hour.

It took him another forty-five minutes almost to the minute to close the deal, about 15 minutes before the club closed and he had really lucked out, taking two pieces of premium select Brazilian booty out of the club as we made out way back to the hotel.

He made his way up to his room, while I waited to Tatiana in the lobby. We barely made it back in time and I was afraid I missed her. I checked with the front desk to make sure no one had left a message for me. Nothing.

I sat in the lobby for about another thirty minutes, almost nodding off before I felt a hand on my shoulder...it was Tatiana.

To be continued...

Brazil

Story by Deangelo Revis

Ebony magazine came out with an article several years back about how Black men were all the rage in Brazil.

I read the article but it wasn't until a relative of mine actually traveled to Brazil and came back with tales of the truly unbelievable of how these Brazilian women seemed to love anything Black, that I decided that I had to take a trip down there.

As a porn connoisseur, I had noticed an uptick in the amount of beautiful Brazilian women being fucked down by black men. At the same time there was the news that Darren James had contracted HIV after fucking with this Brazilian porn star Bianca Biaggi.

If a porn star can contract a disease in Brazil, in an industry that test on a regular basis, then I certainly had second thoughts on throwing down some cash so I could travel down to the Big B to hook up with some big booty Brazilian bitch.

There ain't no pussy in the world that's worth a death sentence.

Despite the Darren James story my friend and I decided to put the money together and make the trip anyway.

We both thought that worse case scenario we would get to see some gorgeous eye candy and have a good time clubbing it up. It's not like we were going to find a wife and if things did reach the critical stage we would make sure that we wrapped things up nice and tight.

When we flew into Rio, we decided to take in all of the sites.

We visited the Christ the Redeemer statue, which was ironic considering our intentions for visiting.

There were parts of the city that were really beautiful and others...not so much but I guess that's everywhere.

As tourist you are sort of subliminally lead away from some of the more dangerous areas. It's not like we were ever told to stay away from a certain area but when we asked for restaurants and clubs to visit, I'm almost certain that they weren't suggesting some of the higher crime areas of Rio.

We hung out at Ipanema Beach, which is one of the most famous beaches based on some song from back in the day.

We made our way to Abrico beach, which is known as Rio's "nude beach" but found more dicks than chicks - very disappointing.

We finally decided that if we were going to hook up, we had to find a spot where the girls were sexy and there was plenty of alcohol.

Despite the fact that there are hundreds of women, nude, fucking and sucking during Carnival, it's damn difficult to find a place where that type of behavior is the norm - Black or not.

As our time was beginning to run out with nothing but tourist attractions and eye candy as souvenirs

Braun's 'Star Wars XXX' Debuts on Wicked.com

CANOGA PARK, Calif.—As Star Wars: The Force Awakens blasts its way into theaters, Wicked Pictures is inviting fans to view the award-winning blockbuster spoof Star Wars XXX: An Axel Braun Parody on its website Wicked.com.

Directed by four-time AVN Director of the Year Axel Braun, this mainstream crossover hit won eight AVN Awards upon release and has since become one of the highest-selling adult DVDs of all time.

"I can only take partial credit for the unprecedented and continuing success of Star Wars XXX," the director says of his modern classic's enduring success. "This is simply a movie made for fans by fans who went above and beyond to capture the essence of the source material and have some fun with it without disrespecting it. Seth Gamble was the perfect Luke Skywalker, Tom Byron as Obi-Wan was just outstanding, Alie Haze was the embodiment of Leia, and Lexington Steele gave a new meaning to "the dark side of the force." I really couldn't have been luckier with my cast and crew, and the fact that four years later our movie is still getting people excited is the best reward for all the hard work we all put into it."

As pop culture portal Mashable.com reported this

week, The Force Awakens' arrival in cinemas "has lifted all kinds of Star Wars-related merchandise—including the pornographic parody movie Star Wars XXX: An Axel Braun Parody, which has seen a 500 percent increase in DVD sales since the beginning of December."

The acclaimed spoof has received mainstream coverage in everything from the New York Daily News to Breitbart.com and Comics Alliance. The safe-for-work trailer, which can be seen [here](#), has been viewed over 3 1/2 million times.

With the highest budget ever for an X-rated spoof and Braun's legendary attention to detail evident in every scene.
